Joe Ford, for the past twelve years section foreman for the Frisco at Rogers, has been given a promotion and goes to Fort Smith as roadmaster on one of the divisions out of that city, and the family will move there at once. Mr. Ford has been with the Frisco 29 years. Rogers Democrat.

A TIMELY SUGGESTION
This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.
